# Local cancer patient to take part in North York's Underwear Affair

By **LISA TALLYN**  
Staff Writer

Local resident Steven Hawes will be among the hundreds of men and women who will hit the streets the evening of Aug. 28 to uncover cures for cancers below the waist.

Hawes, who has colon cancer, will be taking part in the North York General Hospital's The Underwear Affair presented by Mark's Work Warehouse. The event is a 10K run or 5K walk in Toronto with proceeds going to the hospital in support of research into cancers such as prostate, colo-rectal, ovarian, bladder, cervical and testicular— all

cancers covered by underwear.

Participants will dress down and hit the streets clad in costumes, underwear or even exercise gear. Prizes for the most creative costume will be awarded at the EX-POSED after-party.

Cancers that occur below the waist are often deemed taboo and therefore don't receive the level of awareness or funding they need. Due to the location of the cancers, regular screening is often avoided even though it's a key element to early detection and prevention.

Hawes, who is currently having chemotherapy every

two weeks because his cancer has metastasized to his lungs, said he's planning on doing the 5K walk as it "will be on the end of a good week," just before he begins chemo again.

The team he's on with family and friends is called Semi-Colon, and includes Sarah Walker and Peter Scott, both also of Georgetown.

To make a donation to Hawes walk visit [www.uncoverthecure.org](http://www.uncoverthecure.org), click on Toronto, then Donate, and enter Hawes name or his team name.

For more information on the event visit the above website or call 416-777-CURE.

## TRANSPORTATION MASTER PLAN

### CLASS ENVIRONMENTAL ASSESSMENT NOTICE OF STUDY COMMENCEMENT

#### Background

Town of Halton Hills, through their Consultant Hatch Mott MacDonald, has initiated a Transportation Master Plan (TMP) Study. This Environmental Assessment (EA) Study will develop an integrated transportation plan and associated strategies that consider all modes of travel to meet several road network challenges up to 2031.

#### Problem Statement

The Transportation Master Plan Study will provide the strategies, policies and tools required to meet the Town's transportation needs safely, effectively and cost efficiently.

#### The Process

This notice advises the commencement of a Transportation Master Plan study that will define existing problems/opportunities, consider and evaluate solutions, and identify an optimum transportation system. The Transportation Master Plan Study will accommodate the transportation needs of existing and future developments. A key outcome of the study will be a list of transportation projects that the Town can incorporate in their Capital Budget and Forecast. To comply with the Environmental Assessment Act, the study is being conducted in accordance with the Municipal Class Environmental Assessment (EA) process (October 2000, as amended in 2007).

The Town of Halton Hills will be seeking input from the public through a variety of consultation groups and meetings held during the course of the study. Notices of the information of these groups and upcoming meetings will be forthcoming over the next few months. The Town is planning to hold two Public Information Centres during this study to present findings and to solicit your input and comments. The dates and times for the Information Centres will be advertised in advance of these meetings. You are encouraged to forward any comments or concerns you may have at any point in the study to one of the Project Team members.

## BAHA'I FAITH

Each of the great religions brought by the Messengers of God - Moses, Krishna, Buddha, Zoroaster, Jesus, Muhammad, Baha'u'llah - represents a successive stage in the spiritual development of civilization. Baha'ullah has brought teachings that address the moral and spiritual challenges of the modern world.

Introductory talks and prayer meetings. All are welcome.

For more information call 905-873-0661 or 1-800-433-3284 or write BAHAI I, Box 91, Georgetown, L7G 4T1  
[www.ca.bahai.org](http://www.ca.bahai.org).
