

## Acton's Tim Hortons awards scholarship

Tim Hortons Acton store manager/owner Joshua Malinosky presents Keira Britton with a \$1,000 2010 Tim Hortons Scholarship recently. Britton, a four-year employee, was one of 220 Hortons employees to receive a \$1,000 scholarship this year. The Tim Hortons Scholarship Program is designed to recognize store employees (as well as their children or grandchildren), who believe in giving back to their community through volunteer work and have plans to pursue post-secondary education. Entering its sixth year, the successful program has already helped more than 1,000 students across Canada and the United States with over \$1 million awarded so far in scholarships.
