

Home at last

Jason Bailey crosses the finish line at the end of the two-day, 150 km 2010 Acton to Waterloo Rona MS Bike Tour that wrapped up Sunday in Acton at Prospect Park. Almost 500 cyclists geared up for the challenge and pushed themselves to ride from Acton to Waterloo and back last weekend, an initiative of the Multiple Sclerosis Society of Canada. Participants raised more than \$300,000 towards multiple sclerosis research and providing support and services to the thousands of Canadians living with MS.
