Local music lovers got a bonus last month when Richard Cunningham and Terry Vaskor dropped by the Gallery at the Halton Hills Cultural Centre to perform the month's second Music at One concert. The duo were scheduled to perform earlier in the year but had to postpone due to sickness. The rescheduled concert took place on August 11 with countertenor Richard Cunningham performing a selection of original and favourite music while being accompanied by pianist Terry Vaskor. The Music at One concert series continues on September 8 when the George Grosman Quartet plays at the Gallery.
