

# Hortons employee earns scholarship

The Tim Hortons Scholarship Program is designed to recognize store employees (and their children or grandchildren) who have given back to their community through volunteer work and have plans to pursue post-secondary education. Rosemary Skea was one of 220 students chosen across Canada and the U.S. and is the first employee to win from the Georgetown South location. Skea will be attending Queen's University in the fall to study music. Pictured, from left, are Tanya Drake (assistant manager) Julie Korhonen (store manager) Rosemary Skea and Mary Walker (store owner).
