GET DEFENSIVE ABOUT BIKING.

Protect yourself when biking this season: wear a helmet every time you ride, don't weave in and out of traffic, and follow local laws and guidelines for riding. If you're driving, watch for bicyclists riding in the road.

We can all share the road.

Swim for Safety.

A swimming pool is the place to be in the summer. Just remember that it's a place to be safe as well. Follow these tips and everyone will enjoy a long, safe summer in the pool.

- Never leave children unattended in or around the pool.
- Install a fence with a locking gate around your pool.
- Post and enforce rules such as "no running" and "no pushing."
- Learn CPR.
