**Visit our newly renovated
5,000 sf indoor showroom.**

website: www.peellandscapepot.com

We provide everything you need to complete your landscape project under one roof.

Overseeding is one of the most important lawn care tasks and September is the best time of year to do this.

The major benefit to overseeding is that you ensure your lawn stays thick and dense or if it has thinned, you will make it thick again. Thick grass has few if any weeds.

Visit Peel Landscape Depot for premium soil and grass seed for your overseeding need.
