Ceremonies set for new fire halls

The Town and Region will host the official opening ceremonies for the two new fire stations and EMS station tomorrow (Friday).

Two ceremonies will take place. The first will be for the Halton Hills Fire Department Headquarters Station at the corner of Eighth Line and 10 Sideroad, starting at 10:45 a.m.

The second follows at 11:30 a.m. at

the Halton Hills Fire Department and Halton Region Emergency Medical Services station at 53 Maple Ave.

Both buildings were completed this summer. Funding of the \$9.4 million projects is shared between three levels of government: Town of Halton Hills (\$6.4 million), Ministry of Infrastructure (\$1.9 million) and Halton Region (\$1.1 million).

Construction now underway on new Acton Fire Station

By **CYNTHIA GAMBLE**
Staff Writer

Construction on the new Acton Fire Station began last Friday and is scheduled to be completed by Christmas.

At its August meeting, Halton Hills council awarded the tender for the Acton Fire Station expansion to Vema Corp of Burlington.

The 1,660 sq. ft. expansion will cost \$410,190, and will include a Heritage Museum, fitness room, replacement of the roof and the heating and ventilation system for the office area of the existing building.

The Museum will house many artifacts owned by the Town and the Ac-

ton Firefighters Association, including a 1927 Studebaker fire truck. The Association is contributing \$41,000 to the building's construction cost.

Van Raine & Sons Snowplowing and Landscaping on Todd Rd. in Georgetown has agreed to complete all the excavation on an in-kind basis—a \$12,000 savings to the project. Dufferin Aggregates is also contributing \$50,000 to the Firefighters Association for museum upgrades.

The station on Churchill Rd. was built in 1991. Both the Georgetown Headquarters fire station on Eighth Line and the new Maple Ave. fire station were completed this summer—and official openings are scheduled for tomorrow (Friday).
