

Something to think about before you sign a union membership card...

The Elementary Teachers' Federation of Ontario (ETFO) is telling ECEs that signing one of their membership cards only means that you'll have a choice later on. This is simply not true. If ETFO receives enough signed cards to apply to the Ontario Labour Relations Board, it will be the only union on the ballot. The only choice you'll have is ETFO or no union at all.

Before you sign, find out about OSSTF/FEESO

OSSTF/FEESO has represented ECEs for 20 years and fully supported ECEs in the Early Learning Program from the very beginning.

Working with your ECE colleagues has helped us understand your goals, your concerns and the unique way you help children learn through play.

Visit www.ecechoice.ca to find out more about OSSTF/FEESO – a union you can trust, a union that represents all education professionals, a union that understands the vital role you play in the classroom.

Or call Shirley Dufour or Colombe Beaugard at 416.751.8300/1.800.267.7867

Proudly representing ECEs for 20 years

Two railway crossings to have gates installed

By CYNTHIA GAMBLE
Staff Writer

CN has notified the Town that workers will be installing barrier gates at level rail crossings on 10 Sideroad (between Third Line and Hwy. 25) and Fourth Line (between 10 and 15 Sideroads) this fall.

Currently both crossings have signals only.

In a study done in 2006, when the Town initially requested CN do the work, 30 trains travelled along the rail line and more than a thousand cars crossed the tracks daily.

The Town will contribute about \$75,000 to the project. A barrier arm systems costs about \$250,000 each.

Wards 1&2 Regional Councillor

Clark Somerville requested at Town staff update the 2006 study information, especially looking at the Eastern Ave. crossing in Acton. He noted that with the increased population and more shopping available in the community, Eastern Ave. is getting more traffic.

Infrastructure Services Director Chris Mills said he would direct his staff to update the vehicle and train counts on all the crossings within the town, "as part of our discussions with the rail companies".

As well, Wards 3&4 Regional Councillor Jane Fogal notified her colleagues that she requested Halton Region staff investigate the status of their previous request that CN look at a barrier arm system on the rail line on Trafalgar Rd. at Lindsay Ct.

Are you interested to learn more about *who* Jesus was, *why* he came to earth, and *what* it means to follow him? Or, if we can really know God at all?

CHRISTIANITY
EXPLORED

We warmly invite you to join us for a special study beginning **MONDAY, OCTOBER 18TH** in a friendly, informal setting.

It's not a church service. There's no praying or singing, and you won't be asked to read aloud. There is no cost or obligation.
