NOTICE OF A PUBLIC OPEN HOUSE

SCHOOL SITES LAND USE PLANNING STUDY

The Town of Halton Hills will host a Public Open House regarding the School Sites Land Use Planning Study. The study will examine the following:

- The land use policy and regulatory approach that should be adopted by the Town for lands that are the site of existing schools within urban and rural areas and lands that have been identified by the school boards as being potentially necessary in the future; and
- The appropriate land use planning process to be adopted when the whole or part of a school site is to be declared surplus.

The Town of Halton Hills retained Meridian Planning Consultants Inc. to prepare the School Sites Land Use Planning Study which is being undertaken through a five phase planning process as follows:

- Phase 1: Background Analysis and Issue Identification
- Phase 2: School Site Policy and Regulatory Options
- Phase 3: Preferred Policy and Regulatory Alternative
- Phase 4: Initial Policy Formulation
- Phase 5: Final Policy and Regulatory Formulation

Meridian Planning Consultants have prepared a School Sites Background, Issues and Options Paper (the key deliverable for Phases 1 and 2), which provides pertinent information related to Provincial, Regional and Town policies and regulations, summarizes land use approaches used in other municipalities, discusses the relationship between school sites and parks and recreation, provides five possible land use options for further discussion, and outlines potential recommendations for legislation and policy changes by the Town, Region, Province and School Boards.

The details of the Public Open House are as follows:

**Wednesday September 22, 2010
6:45 P.M. to 8:30 P.M.**
Town of Halton Hills - Civic Centre
1 Halton Hills Drive
Halton Hills, ON L7G 5G2

The format of the Public Open House will be a presentation at 7:00 pm followed by a question and answer session.

The purpose of the Public Open House is to:

- Increase public awareness of the School Sites Land Use Planning Study;
- Provide a summary of the School Sites Background, Issues and Options Paper; and
- Invite public input on the project.

All interested citizens are encouraged to attend the Public Open House, ask questions of Town staff and Meridian Planning Consultants Inc., and provide feedback on the School Sites Land Use Planning Study.
