Disclaimer: Customer choice finance for 36,48 and 60 month terms on approved credit through td financing services is available to qualified retail customers on most new 2010 and 2011 Chrysler, Jeep, Dodge, and Ram models. Vehicles are financed over a 36,48 or 60mth term with payments amortized over a term up to 96 months and the predetermined residual balance payable at the end of the contract. At contracts end the customers have the choice of returning their vehicle to Georgetown Chrysler with no further obligations (except payment of a \$199 return fee and excess wear and tear, mileage and similar charges), financing the remaining balance for the rest of the amortization period at then-current standard rates or paying the residual balance in full. Some conditions apply example; 2010 grand caravan priced at \$22,995 financed at 4.99% APR over 60mths with payments amortized over 96mths equals \$86 per week with a final payment of \$5177 tax inclusive with a cost of borrowing of \$3742. prices and payments are freight and a/c tax inclusive but are subject to licensing and HST. Discounts are a combination of factory incentives and dealer discount. Prices are plus HST. See dealer for complete details 2.75% variable rate (example \$23,000. financed over 84 months, C.O.B. \$2,300.)
