

Blaze causes \$170K damage

Halton Hills firefighters were called to a house fire on Regional Rd. 25 about 9:10 a.m. Sunday.

The fire, which the occupants of the home reported started when they turned on the heating system, caused approximately \$170,000 damage.

The cause of the fire is under investigation.

More than 20 firefighters from both Halton Hills and Milton responded to the blaze near the Milton/Halton Hills border.

The majority of damage to the two-storey, detached home occurred in the basement area near the furnace, with some spreading to the main floor kitchen.

Water was trucked in with tankers due to the rural location.
