About Boston Pizza:

Cooking is such a chore. First you have to go to the grocery store, then you have to thaw the meat, chop the vegetables, time everything so it's all ready at the same time, just to find out that half the people at your table don't like it, and the other half is just too polite to admit it.

Well WagJaggers, today we are going to help you out with that thankless chore with a \$20 to Boston Pizza for just \$10! Put the grocery cart back and hop in the car instead. With this WagJag, you can let someone else (like the highly trained cooks at Boston Pizza) do all the work. Best of all, everyone at your table can order whatever they want (and there's lots to choose from on this menu)!

Boston Pizza is a family oriented, casual dining restaurant that is well known for their wide variety of gourmet pizzas and pastas. You might also want to try one of their new, mouth watering burgers. It may have taken them 45 years to perfect it, but one bite will tell you that it was worth the wait!

Visit Boston Pizza's sports lounge the next time the game is on. With several large TVs, great food and lots on tap, there's no better way to watch the game!
