# Motocross rider seriously injured

A 21-year-old Milton man suffered serious injuries after losing control of his motocross bike on a Third Line property Sunday afternoon.

Halton Police were called to the motorcycle accident shortly before 3 p.m. Upon their arrival they found the rider had sustained back injuries after he was thrown from his Suzuki 125 motorcycle.

lease his name.

He is an experienced rider who was training on private property.

At the time of the collision the man was wearing all the required safety equipment. Police say alcohol and speed don't appear to be contributing factors in the accident.

The accident is under investigation by the Collision Reconstruction Unit. Witnesses are asked to call Det. Const. Andy Dennis at 905-878-5511 ext. 5189 or Det. Const. Cormier at ext. 5066.

Drinking and Driving Can Distort Life.

Drink and drive, and your life may never be the same again. You not only risk your life when you drink and drive, you also risk losing your license, incurring expensive fines, doing time in jail or even causing injury or death to an innocent bystander. With all these consequences facing you, driving under the influence is the worst decision you can make. Don't take chances with drinking and driving; there's always a better alternative.
