

## Focusing on "Business of the Month"

Every month, Chamber members and local residents have the opportunity to nominate a local business for the Chamber's Business of the Month award. The criteria for selection are: quality of service, unique products, and/or civic involvement which benefits the community. Companies are selected regardless of Chamber membership, and the Chamber presents each of the recipients with a plaque.

By Tracey Wellon and Cor Baarda

The recipients for this quarter are: Elizabeth's Fashion & Bridal Boutique (July), Lily Thai & Vietnamese Cuisine (August), and Red Lemon Hair Salon (September).  
Congratulations to all of you!

Hair Styling taken to a new level! Technology at its finest! A client's hair should reflect the individual's tastes and lifestyle and the staff are taught to ask the questions. Vince believes, in order that his staff be successful, they must be "passionate knowledge seekers" who take responsibility for their careers and invest in their future. To that end, the Director of Education schedules weekly classes and twice a year clients are invited to "Blow Drying Class." Coming in November 2010, a second salon, "Fringe," will open, catering to the younger crowd while Red Lemon continues to focus on the professional women.
