

Water open house set for tomorrow

The CTC Source Protection Committee is hosting a public open house tomorrow (Wednesday) from 6:30 to 9 p.m. at Acton High School, 21 Cedar Rd., Acton.

Notices of the open house were sent to landowners in Halton Hills who live in wellhead protection areas, however, the notices included the wrong day for the event and a 416 contact number.

A toll free contact number for inquiries is 1-888-872-2344 ext. 5752.

The open house will focus on the completed Draft Proposed Assessment Report: Credit Valley Source Protection Area, which is available for public review and comment through Nov. 2. It provides information on the quality and quantity of drinking water sources for parts of the regions

of Halton, Peel and Counties of Dufferin, Wellington and Simcoe.

Those who attend the open house can obtain a copy of the report there, gain a better understanding of it, ask questions and discuss the status of their property.

Copies of the report are also available at www.ctcswp.ca, by request at sourcewater@trca.on.ca, at Credit Valley Conservation offices, or by calling the above 1-888 phone number.

The public is invited to review and provide comments on the report until 4:30 p.m., Nov. 2.

Comments can be submitted by fax, mail, or email to Chair, CTC Source Protection Committee, 5 Shoreham Dr., Downsview, ON, M3N 1S4, Fax 416-667-6270, or email at sourcewater@trca.on.ca
