 In Loving Memory of my Daughter
Chelsea DeForest

And if I go while you're still here...
 Know that I live on,
 Vibrating to a different measure
 Behind a thin veil you cannot see through
 You will not see me...
 So you must have faith...
 I wait for the time when we can both
 Soar together again,
 But aware of each other until then,
 Live your life to its fullest
 And when you need me...
 I will be there!!!

You where to young to die and never had a chance to soar!!!
 You are in our hearts and prayers everyday for the past 158 weeks,
 We love you and miss you terribly.
