

# Mayor to co-host Fall Breakfast with focus on future workforce

Want to get to know your future workforce? Come join the Halton Industry Education Council (HIEC) at this year's Fall Breakfast with the Mayors as it celebrates 21 years of business, education and community partnerships and the first annual Experiential Learning Week.

Learn about the many experiential learning opportunities available in Halton and hear from students and employers about their experiences on Thursday, Nov. 25, at RattleSnake Point Golf Club in Milton, 7:30-10 a.m.

Hosts Mayor Rick Bonnette of Halton Hills and Mayor Gordon Krantz of Milton will bring greetings and speak about their own unique perspectives on the importance of experiential learning.

This year's theme is "Getting To Know Your Future Workforce," which showcases the continuum of programs and services in Halton aimed at fostering connectivity between employers and their future workforce.

To bring added perspective, a panel made up of local students and employers will share personal success stories from their experiential learning experiences. The student and employer panel will highlight the many opportunities and online tools available in Halton, including EmployerRegistry.ca which welcomed its 1000th Halton employer.

Keynote speaker Ryan Porter, a dynamic young professional will show students and adults how to create a future through their experiences.

AT this time we would like to thank our many friends, relatives and neighbours who took the time to remember our mother, Dorothy Hillock. Your condolences, floral tributes, charitable donations and support were greatly appreciated. Special thank to Phil and Marg Jones, Rob and staff of Jones' Funeral Home for meticulously co-ordinating mom's funeral wishes. Thanks also to Reverend Park and the ladies of St. George's for the wonderful service and fellowship luncheon.
