

# Blue Box Tips

Blue Box materials remain the responsibility of the homeowner until the materials are collected. Help reduce litter by following these tips to keep your neighbourhood clean.

## Squish It!

Before putting containers in your Blue Box—give them a squish!

Squish your aluminum pop cans, plastic pop and water bottles, beverage cartons and Tetra Paks.

Not only will squishing save space in your Blue Box for more items, but it will help collection because space will be used effectively inside the truck.

## Flatten It!

Before putting boxboard in your Blue Box—flatten it!

By flattening boxboard, you help prevent litter, save space in your Blue Box for more materials, and save space inside the collection truck.

## Tie It!

Before putting corrugated cardboard in your Blue Box—tie it up!

Tie corrugated cardboard in bundles no larger than 90 cm x 90 cm x 30 cm (3 ft x 3 ft x 1 ft) and place beside your Blue Box.

Not only will tying corrugated cardboard prevent litter, but it will help speed up collection because collectors can more easily pick up the tied cardboard.

## Stack It!

When putting your Blue Boxes at the curb—stack it!

Stack your Blue Boxes and place heavier items such as phone books and magazines on top of loose containers.

## November 20 is National Child Day

What parent doesn't love talking about his/her child? On National Child Day, we want parents to know our HaltonParents staff also love talking to you about your kids—whether it's sharing successes, or helping when you are not sure what to do next.

Helping you raise a healthy, competent, and confident child is our focus. From what to eat during pregnancy to trying to keep your teen away from drugs, we've got information and links to local supports to help you through it all. How to reach us:
