## Services Provided

- ◆ Spring Cleaning
- ◆ Weekly, Biweekly and Monthly Cleaning
- ◆ Move In / Move Out ready
- ◆ One time Special Cleaning

Each room is cleaned from ceiling to floor and we never miss a spot!

We clean everything in your kitchen, bathrooms, bedrooms, living room, family room, dining room, office/den, mudroom and laundry room.

All floors are vacuumed from corner to corner and then all bare floors are washed.

We would be pleased to customize your cleaning to suit your individual needs.

## What We Do For You

Our professionally trained teams start by doing a full spring cleaning of your entire home or your designated areas.

We get your home as perfectly clean as possible and then we maintain this "spring cleaning look" on your regularly scheduled cleaning day.

We take great pride in our work and we do what it takes to get the job done. We believe you will find the results we produce and the attention we put towards detail and perfection will far exceed your expectations.

We want your home to *sparkle*. Only after this is accomplished, is our job complete.
