# Pathways meetings planned to help students chart future

The Halton District School Board is hosting a series of seminars in the coming months to help students find out how they can explore various career paths.

The Pathways planning information nights will be held in all four municipalities for students who are in Grades 7 to 12.

Students, parents and guardians will learn how the youths can try a career path in high school before they head to an apprenticeship, college, university or the workplace. At the seminars attendees will learn how the students can better prepare themselves for a rapidly changing world while still receiving

relevant, engaging and active education that meets their interests and needs.

Attendees will learn about Specialist High Skills Major, Ontario Youth Apprenticeship Programs, Specialist School to Career Programs, expanded Co-operative Education Programs and Dual Credit college programs.

The meetings are from 6:30 to 8:30 p.m. The Halton Hills meetings are as follows:

- Thursday, December 2: Acton District High School, 21 Cedar Rd.
- Wednesday, January 26, 2011: Georgetown District High School, 70 Guelph St.

# Holding provision removed for cemetery

The Town of Halton Hills has removed its 'H'— the holding provision for the Holy Redeemer Catholic Cemetery on 17 Sideroad.

The removal allows the Catholic

diocese to now proceed to the building permit stage. An H is placed on a project until the owner (the Catholic diocese) completes required works (in this case a site plan agreement).

 All Welcome

Safe  
 Gifts  
 are  
 Divine

As you shop for the youngest names on your list, keep in mind that many toys can become potential safety hazards to children. Here are a few important guidelines to help you select the best gifts:

Choose age-appropriate toys. Many toys have labels with age recommendations on them.

Avoid toys with sharp edges and points or small parts. Also avoid toys that fly, shoot projectiles or produce loud noises.

Look for toys that are durable, well-constructed and easy to clean.

When choosing a fabric toy, make sure it is labeled flame-retardant or nonflammable.

Check stuffed toys for secure stitching of eyes and other small parts.
