

# Legion Ladies Auxiliary to celebrate Christmas

By JANET MALLOY

Georgetown Legion Ladies Auxiliary

What a wonderful, festive atmosphere we had at our Annual Christmas Bazaar on November 20th. It was successful due to the generous donations from our own Ladies Auxiliary members and of course to you, all the people who came out to support our Bazaar; I would like to say thank you very much.

A special thank you to the following: Sheila Kirk, Sharon Middleton, Cindy Mowat and her lovely daughter Stephanie and Helen Parry, your generous

donation of time is very much appreciated. A big round of applause goes to Ev Metler who is our Bazaar convener and we are so lucky to have her!

Our Christmas potluck is Thursday, December 16th, starting at 7 p.m. So come on girls, let's get together to sing Christmas carols.

Condolences to the family with the passing of Comrade Mae Tost who was a life membership with the Ladies Auxiliary to Branch 120; she joined in 1942.

Thinking of you to our Comrades who are shut-ins and/or under the weather, we think of you often.

## Brunch with Santa to benefit Cystic Fibrosis

'Tis the season to be busy. For some it's already taking a toll.

"We got a call from Santa", says Kathleen Paterson, Food and Beverage Manager, Eagle Ridge Golf Club. "He was looking for an exotic southern destination to unwind prior to his big day. Naturally he thought of Halton Hills".

Santa will be coming to Eagle Ridge Golf Club on Tenth Line, on Sunday, December 12, from 10 a.m. to 2 p.m. In order to help Santa recharge his batteries, a brunch will be served. The festive holiday buffet features carved turkey, ham and roast beef ac-

companied by all the traditional holiday favourites.

Of course, Santa always has children on his mind. There will be a gingerbread cookie decorating and an arts and crafts station for any visitors who would like to meet Santa.

Tickets are \$34.95 for adults, \$14.95 for children over five, and free for children five and under. Part of the proceeds will be donated to the Canadian Cystic Fibrosis Foundation.

For reservations please contact Kathleen Paterson at 905-877-8468 ext. 2223 or email kpaterson@clublink.ca

### A Diabetes Education Program can:

- Teach you that orange juice can impact blood glucose levels
- Point out food and medication interactions
- Make living with diabetes manageable
- All of the above

If you don't know about Diabetes Education Programs, they're worth learning about. Through education and encouragement, a Diabetes Education Program provides support and self-management skills to people living with diabetes and those who care for them. Diabetes nurse educators, dietitians and other health care professionals can help people with diabetes lead a more full and healthy life. **You've got health care options nearby. Get to know them better.**
