

Big load move could cause traffic woes

Halton Police are warning drivers they could be facing some traffic delays on Halton-area roads tomorrow (Wednesday, Dec. 8) and Thursday (Dec. 9).

Challenger Motor Freight Company, escorted by Halton Regional Police, will be transporting by truck, six over-sized pieces of equipment from the Port of Hamilton to Toronto's Pearson Airport between Dec. 7 and Dec. 11 and will be travelling through Halton Wednesday and Thursday.

The move was originally scheduled to begin Monday, but was postponed a day due to the forecasted snow. Halton Police will monitor the weather and provide an update by 9 a.m. today (Tuesday).

Each piece of equipment is 150 ft. in length x 24 ft. wide x 25 ft. high. As a result, disruptions in traffic and to utility services will occur to ensure the safe transportation of the equipment as well as the safety of the

transportation team and the public. Anticipated times and locations where traffic will be affected in Halton are:

- December 7— the cargo will travel from Hamilton along Highway 5 and park on Dundas Street at Kerns Road, in Burlington at 6 a.m. December 7 for the day.
 - December 8— at 9 p.m. the cargo will travel east on Dundas Street to Bronte Road.
 - North on Bronte Road to Derry Road.
 - East on Derry Road to Trafalgar Road.
 - North on Trafalgar to Steeles Avenue
 - East on Steeles Avenue to Winston Churchill Boulevard where the Peel Regional Police Service will take over.
 - The cargo is expected to arrive at Winston Churchill Boulevard by 6 a.m. Thursday, Dec. 9.
- Challenger Motor Freight has selected a route with minimal impact to the general

public. For detailed information visit www.challenger.com/molsoncoors.

Town fees to rise

Continued from pg. 1

New fees were also added, including an hourly fee for outdoor fitness usage in parks (\$30.43), outdoor education swim test (\$10), tot dock rentals (\$25/day), monthly aquatics locker rental, damage deposit for access through park or open space for a pool and a garden columbarium niche.

Existing fees in the Fire Department, Planning Department and Infrastructure Services will go up the recommended 3 per cent indexing.

A consultant's review of the Town's user fees, licensing fees and service charges will be undertaken in 2011.

... Lend Me Your Ears

By Cory Soal R.H.A.D.

You have probably heard that legislation has been passed that targets drivers using cell phones while operating a motor vehicle. We all know that distractions are a dangerous combination and common part of driving on today's congested roadways. Any way to lessen the number of distractions faced daily would greatly help one to focus on the task at hand, and get on with their day. At the Georgetown Hearing Clinic, we do not condone the use of cell phones while driving, but when absolutely necessary, a hands free device, such as a speaker phone, line Onstar™ or a bluetooth connected earpiece can be very useful and help reduce distraction - not to mention allow the driver the use of both hands.

At The Georgetown Hearing Clinic, we provide a wide variety of custom fit and non custom fit bluetooth hands free devices.

Safe Gifts are Divine

As you shop for the youngest names on you list, keep in mind that many toys can become potential safety hazards to children. Here are a few important guidelines to help you select the best gifts:

Choose age-appropriate toys. Many toys have labels with age recommendations on them.

Avoid toys with sharp edges and points or small parts. Also avoid toys that fly, shoot projectiles or produce loud noises.

Look for toys that are durable, well-constructed and easy to clean.

When choosing a fabric toy, make sure it is labeled flame-retardant or nonflammable.

Check stuffed toys for secure stitching of eyes and other small parts.

Tooth Chatter

GEORGETOWN  **Denture Clinic**

The staff at Alex Trenton's office have written a Christmas Carol and dedicated it to him! Sung to the tune of RUDOLPH THE RED NOSED REINDEER! "ALEX THE BEST DENTURIST"

Do you recall the most famous dentist of all!

Alex the best dentist
 Made the best denture teeth
 And if you ever tried them
 You could even chew roast beef!

All of the other denturists
 Were jealous and called him names
 They never let poor Alex
 Join in any denture games!

Then one toothless Christmas Eve
 Santa came to say
 Alex you're the best I see
 Won't you make a new denture for me!

Then how the denturists loved him
 And they shouted out with glee
 Alex you great dentist
 You'll go down in history!

Creating confident smiles since 1982.
