# Georgetown Children's Chorus offers a Ticket to Christmas

By LOIS FRASER  
Georgetown Children's Chorus

The Georgetown Children's Chorus would like to invite you to a rock musical called *Ticket to Christmas*, which is playing four shows at the John Elliott Theatre on Saturday, Dec. 11 (two shows at 1 p.m. and 3 p.m.) and Sunday, Dec. 12 (two shows at 1 p.m. and 3 p.m.).

The music is upbeat and fun. The Children's Chorus performed this show in 1993 and again in 1997 and it was a sell-out both times. Characters ride scooters and skateboards, angels and shepherds appear, along with Sim-eon, Isaiah, Gabriel and a hip Jamaican. This combination of characters helps a tough 12-year-old, who thinks Christmas is all about toys, make a discovery.

The show was written for kids and the performers are between the ages of 7 and 14. The show appeals to kids, age five and up, but adults will love it too.

Each show begins with choral performances by the Senior Choir and Cherub Choir. Then the dramatic portion of the show begins, with a cast of 50 kids, complete with costumes, props, lighting and sound effects to tell the Christmas story. The action flips

back and forth between a present day shopping mall and Bethlehem, where we learn the story of Jesus' birth.

The running time in total is 1.5 hours, which is perfect for little ones.

Tickets are \$15 (\$10 for those under 18) plus HST.

If you are purchasing tickets for the Sunday at 1 p.m. performance, they must be purchased from St. John's United Church (call Jackie at 905-877-7668). This performance was purchased by St. John's as a fundraiser, with outreach to our local food bank.

All of the other performances may be purchased through the John Elliott Theatre Box Office at 905-877-3700 or online at the JET's website.

**A TRUE 4 SEASON TIRE!!!**

**nokian**  
ALL-WEATHER PLUS

A third generation in Nokian Tyres' unique line of "All-Weather Plus" tires, the new Nokian WRG2 and WRG2 SUV offer the best performance in every season. The shape and siping of the outer shoulder make the tires easy to handle in the most extreme conditions, and are excellent on dry roads, even at high speeds. So while seasons may change, your choice of all-weather tires remains the same: Nokian WRG2 and Nokian WRG2 SUV.

Nokian Tyres' All-Weather Plus line exceeds the new government standard for tire performance in harsh winter conditions.
