

# HOLIDAY GIFT GUIDE

Special pullout section

*Lighting up the Hills*

Last Wednesday was ignition night for the third annual Light up the Hills event. This year a Tree of Hope was lit at the Acton Sports Park (right) to go along with the celebration held at Dominion Gardens Park. (Above) Wards 3&4 Regional Councillor Jane Fogal (left) joined Santa Claus and LUTH founder Gerry Kentner to push the ignition button, much to the delight of crowd (below). Residents are reminded to have their holiday lights turned on for tomorrow's (Wednesday's) Georgetown Kinsmen Club Seniors' Tour of Lights.
