## Gagas ride for cancer care

At Georgetown District High School's 'Inside Ride', part of the Coast to Coast against Cancer Foundation, the GDHS English department, aka Lady Gagas, assembled for a photo during the ride which was held in the gyms. Team members included (front left, clockwise) Sylvonna Beech, Mike Martin, Stephanie Pender, Jane Coates-Leckie, Stacey McCormack and Ryan Presuti. The event raised more than \$24,000 which is shared among local and national childhood cancer charities that provide support to children and teens living with cancer and their after care.

A Family Health Team can:

- Diagnose this
- Review your history for allergies
- Check for infection
- All of the above

If you don't know about Family Health Teams, they're worth learning about. Family Health Teams provide care for non-emergency situations and ongoing care by bringing together different health care professionals such as doctors, nurses, nurse practitioners, dietitians and pharmacists. The high quality, team-based care provided by a Family Health Team can help you lead a healthier life. **You've got health care options nearby. Get to know them better.**
