

**Throwing a Christmas sale**  
Amy Doole throws a tea pot for demonstration at the potter's wheel during the annual Credit Valley Artisans Winter Show & Sale. Right: Deb Knox and daughter Melinda are enthusiastic over the selection offered by the CVA members. Look for the next club show and sale next spring.

**Annie Jr., The Musical raises funds for Haiti**

The students at Liberty Junction Theatre Company in Brampton recently took to the stage of John Elliott Theatre, to produce *Annie Jr, The Musical*, to raise funds for orphans in Haiti. Liberty Junction donated concession proceeds from the production to the Children of Hope Orphanage in Port-au-Prince, Haiti. Among those starring in the production were (from left) Simon Peebles as Daddy Warbucks, Jacqueline Wu, playing Little Orphan Annie, Duncan Ladner as Rooster, and Emilia DiFazio as Lily.

**Thanks to you,  
the wheels  
are in motion.**

Ontario Electronic Stewardship thanks the many people, volunteers and service providers who participated in more than 320 province-wide electronics round-up events held so far this year.

To date, hundreds of tonnes have now been collected – and successfully diverted from landfill – for safe and secure material re-processing and recycling.

Our thanks to all who came out to make this possible and spread the good word.

If you missed the event held locally, you can find the electronic waste collection site nearest you on our website: [recycleyourelectronics.ca](http://recycleyourelectronics.ca)

**Do the world a favour. Recycle your electronics.**
