LETTERS TO SANTA

Dear Santa,

How much snow is in the North Pole? Today here it's the first time snow has stayed on the ground but there's very little.

I can't wait till Christmas. Christmas is my favourite time of the year but it's still 1 month away.

I also love the snow. Winter is my favourite because I like sledding, building snowmen and fights with snowballs. I also like Christmas coulers. My favourite couler is green!

This is what I want you to get me: Vectron Wave.

From Josh

Dear Josh,

Winter is my favourite season too. We have plenty of snow up here in the North Pole and we are all very excited about it. The elves like to make snowmen during their breaks and Mrs. Claus and I go skating on the frozen pond behind the workshop.

Thank you for your letter, Josh. I hope you have a very merry Christmas.

Ho ho ho!
Santa

To Santa, Mrs. Claus and all your raindear,

What is the weather like in the North Pole? How is Mrs. Claus doing? How is Roudolf? How is my favrit one Comit? How are you yourself?

I hope you get me lots of Lego Star Wars: the Battle of Endor, Jabba's Sail Barge, Jabba's Palace, Jabba's Prize and Genral Geievous Chase, Republic Attack, Gun Ship, Count Dookus Solier Sailer, the Twilight. PS Maybea new bik too. Oh and a spinning top that counts.

From Jordan

Dear Jordan,

Thank you very much for the picture you drew of me in my sleigh. It looks just like me! Mrs. Claus and I are both doing

very well. We are busy getting ready for Christmas Eve. The reindeer are very excited for our big trip, especially Comet. He can't wait to visit you!

Keep being good, Jordan. I think you'll like what you find under the tree on Christmas morning!

Ho ho ho!
Santa

Dear Santa,

I've seen you a few times this year but have been a bit too shy to come tell you what I would like for Christmas. I thought I would send you this letter while I am building up my courage for our visit...just in case.

I have been a really good boy this year. For Christmas I would like a 'Dance Star Mickey.' He claps, dances and sings fun songs that make me laugh and shake my bootie! I know Mickey and I would have a lot of fun together. I would also like a sleigh so my Mom and Dad can take me for rides in the snow.

I will leave you some milk and cookies, along with some carrots for your reindeers to help you get through the night.

Your friend,
Harrison Page, 1 1/2

Dear Harrison,

Yes, I remember seeing you several times this year. I can't wait to visit your house this year. I love milk and cookies and my reindeer are really looking forward to the carrots.

I am happy to hear that you have been such a good boy this year. Keep up the good work, Harrison!

Ho ho ho!
Santa

Dere Santa,

I can't wate til Crismis eve because I cant wate to get ol my presints. Ho ho ho!

From Mason

Dear Mason,

I was so glad to see your letter in my mailbag. I saw your photo in the paper and I wanted to tell you how much I liked it. Your hat looks just like mine!

Mason, I can't wait to visit you and your family on Christmas Eve. Keep being a good boy and listen to your parents. I think you'll like what you find under the tree!

Ho ho ho!
Santa

Dear Santa,

Hi my name is Alyssa Kelman and I am 9 years old.

I am very sorry I wrote my letter so late. I kown you are super super busy. I have bin trying to be a good girl this year but sometimes my brother gets on my nerves. I hope you can fit in one last Christmas wish in. Its for my mom to get better. She is sick from her operation and I relly want her to get better so she can have a merry Christmas whith out felling sick. I hope you can make my wish. Its more than anything in the world I would want.

Merry Chrismas.
Love Alyssa

Dear Alyssa,

We are lucky to have very quick mail delivery up here in the North Pole, so I got your letter just in time. And I'm certainly glad I did. Alyssa, I'm sorry to hear that your mom hasn't been feeling well, but I know that with a bit of help and a lot of love she will start feeling better soon. So give your mom a big hug from me and have a very merry Christmas.

Ho ho ho!
Santa
