HAVE YOU MADE NEW YEAR'S RESOLUTIONS WITH VALUE?

Paul C. Armstrong

Most of us consider living our lives more worthwhile each New Year, treating our health better, spending a little wiser and giving our time and money more generously but there must be "Solutions" to the "Resolutions".

You have to have a plan and commitment to make them work to get the most benefit.

Many consumers put off a conversation about their "personal or business insurance" until it is too late. Do not wait for a problem to occur before addressing this important feature.

Start today and learn what protection your policies offer and what you are paying for.

"If you are Not receiving that "Value" because you are insured through a "Group Plan", a "Direct Insurer" or other out of town "provider", then you are not offering a "Solution" to yourself. You are just paying and hope disaster doesn't face you.

Plan today. Put "Your House" in order and call us. Get the answers, satisfaction and peace of mind you deserve for those hard earned premiums. A few minutes now could turn your world around before disaster strikes.

By the way, are you going somewhere this Winter? During the "Heating Season" all house policies require a responsible person to attend the house daily to ensure that heat is on and pipes are free from freezing otherwise your policy will not respond. Also, make sure the person collects papers and mail to reduce the chance of "Vandalism or Theft". There are "Liability" issues as well if driveways and sidewalks are not kept tidy.

Before you go anywhere, make sure you have proper "Medical Insurance". So go and enjoy.

Take some time for an "Insurance Checkup". We are ready when you are.

Buy Local, Buy from us.

Happy and Healthy New Year.
