

Focusing on "Business of the Month"

Every month, Chamber members and local residents have the opportunity to nominate a local business for the Chamber's Business of the Month award. The criteria for selection are: quality of service, unique products, and/or civic involvement which benefits the community. Companies are selected regardless of Chamber membership, and the Chamber presents each of the recipients with a plaque.

By Tracey Wellon and Andrea Lefebvre

The recipients for this quarter are:
Flotech Canada Complete Plumbing (October), **Malhotra's World Cuisine** (November), and **Starlight Café** (December).
 Congratulations to all of you!

It's a fact of life: plumbing emergencies always happen at the most inconvenient time. That's why Halton Hills residents are so lucky to have a business like Flotech Canada Inc. Owned and operated by Robert Sant'Angelo, the company's 60-minute emergency response time means that one of Flotech's three licensed master plumbers will be at the scene within an hour of receiving the call. Flotech, which has been in business for 18 years and based in Georgetown for the last 12, provides complete residential, commercial and industrial plumbing services. With polite, professional and knowledgeable staff and guaranteed workmanship, it's no wonder Flotech Canada Inc. was named October's Business of the Month!
