The halls were decked, the bells were jingling and the Christmas tree was rocking at Horizon Packaging's annual holiday party. The workers and support staff exchanged Secret Santa gifts and sang along with the Georgetown Senior Centre Band, who performed Christmas favourites like Jingle Bells, Frosty the Snowman and Rudolph the Red-Nosed Reindeer. Horizon Packaging is run by Community Living North Halton (CLNH), an organization that supports people with developmental disabilities. For more information, visit www.clnh.on.ca/services.
