

Workshop to focus on special education

The Halton Down Syndrome Association, the Learning Disabilities Association of Halton and the Ministry of Education are hosting a one-day workshop for parents, teachers, educational assistants and other support staff on February 12, 9 a.m. to 3 p.m.

This is a hands-on workshop that will help participants understand the IPRC process, how to write goals and objectives for an IEP, the difference between a modified program and an accommodated program and about new initiatives in special education.

Pre-registration is recommended

as there may be limited space available at the door. The cost is: members/family of 2: \$15 or \$25 non-members. (Individuals must be a member of the Learning Disabilities Association of Halton or the Halton Down Syndrome Association to qualify as a member.) The fee includes refreshments, lunch and handouts.

The workshop will be held at Bishop Reding Secondary School in the cafeteria, 1120 Main St. E., Milton.

Register online at www.haltondownsyndrome.com or by calling HDSA, 905-802-6851 or LDAH, 905-333-1977.

Valentine fundraisers to offer good eats

A **Valentine Tea** will be hosted by Trinity United Church in Acton, on Saturday, Feb. 12, 11 a.m. to 3 p.m. featuring homemade fancy sandwiches, cranberry scones, vegetables, squares, cookies, tea and coffee. Admission: \$7 per person, children under 5 are free. There is also a bake table, raffle, penny table and live music. Info: church office, 519-853-2090.

A **Valentine dinner and dance** will be hosted by the Friends of Terra Cotta, in support of Terra Cotta Centre for Environmental Learning, on Saturday, Feb. 12 at the Terra Cotta Inn. Enjoy a cocktail reception (6 p.m.), followed by dinner (7 p.m.), dancing, and draws for great prizes. For details or to purchase tickets, contact Julie McManus, jmcmamus@creditvalleyca.ca or 905-670-1615 ext 418.

TRANSPORTATION MASTER PLAN STUDY

NOTICE OF PUBLIC INFORMATION CENTRE #1

THE STUDY

The Town of Halton Hills, through their consultant Hatch Mott MacDonald, has initiated a Transportation Master Plan (TMP) Study. The Class Environmental Assessment (Class EA) Study will develop an integrated transportation plan and associated strategies that consider all modes of travel to meet road network challenges up to 2031. The study will identify future projects within the study area.

PUBLIC INFORMATION CENTRE

The Town of Halton Hills will be seeking input from the public through a variety of consultation groups and meetings held during the course of the study. An on-line survey has been accessible through the study website since early December and we encourage you to provide us with your input in advance of the first Public Information Centre. The Town is planning to hold two PICs during this study to present findings and solicit your input and comments. At the conclusion of the study, there will be an opportunity to review the Transportation Master Plan report and provide your feedback.

The first PIC will be held to present information on the study and solicit feedback from the public on the problems and opportunities and existing conditions. The PIC will be an open-house format, with a presentation to occur at **7 p.m.**, followed by the opportunity to ask questions of the project team on a one-on-one basis. We encourage those interested in the study to attend.

Date: Thursday, February 10, 2011
Time: 6:00 p.m. – 8:00 p.m.
Location: Mold-Masters SportsPlex
221 Guelph Street, Georgetown

STUDY CONTACTS

If you have any questions or comments or wish to be added to the study mailing list, please contact:

Mr. Ted Drewlo, P. Eng.
Manager of Engineering Services
Town of Halton Hills
1 Halton Hills Drive
Halton Hills ON L7G 5G2
Tel: 905-873-2601 ext. 2313
Fax: 905-873-3036
Email: tedd@haltonhills.ca

Mr. John McGill, P. Eng., PTOE
Project Manager
Hatch Mott MacDonald
2800 Speakman Drive
Mississauga ON L6K 2R7
Tel: 905-403-4403
Fax: 905-855-2607
Email: john.mcgill@hatchmott.com

Comments and information regarding this project are collected in accordance with the Freedom of Information and Protection of Privacy Act to assist the project team in meeting the requirements of the Class EA process. With the exception of personal information, all comments will become part of the public record.
