

School bus cancellation reminder

In the wake of this week's snowstorm, both Halton school boards are reminding parents and staff of the bus cancellations and school closure procedures relating to inclement weather.

In the event of bad weather, the Directors of Education of both boards consult with the Halton Student Transportation Services to determine whether to cancel school transportation and/or close schools. This decision is made prior to 6 a.m. and communicated by 6:30 a.m.

The decision to cancel buses and/or close schools is communicated through various media outlets and by the following methods:

Websites: www.haltonbus.ca or www.haltonbus.ca or www.hdsb.ca

Switchboard: A message will be provided through the Halton District School Board's main telephone number— 905-335-3665. Please follow the prompts to access school bus information. A message is also recorded on the Halton Catholic Board's main telephone number: 905-632-6300.

Home Notification System: An automated email or telephone message will be sent to notify parents/guardians of school closures only (not transportation cancellations). Only parents who have opted for this service will receive the message.

Best Buy CORRECTION NOTICE
