What to do with the family on Family Day

Spending quality time with our families should be a priority for those of us celebrating Family Day in Alberta, Ontario, and Saskatchewan. Here are a couple of ideas on how to make the most of the day off work with your family.

Host a Family Potluck: Invite all relatives, or close family friends living in the area to join you for a potluck dinner. If everyone brings something, it lifts the burden from just one person and ensures no one has to spend the entire day in the kitchen.

View Family Memories: Spend some time with your children watching family movies or looking at family photos. This is a great time to review your children's accomplishments and see how much they have grown since the previous year.

Make a Difference in Another Fam-

ily's Life: As a family, select a charity such as Christian Children's Fund of Canada and make a difference in the life of a child who is suffering from extreme poverty. Together, you can select a one time gift from the online catalogue www.ccfcanada.ca/Gifts, or sponsor a child on a monthly basis. By allowing your children to be part of this decision, you will teach them compassion for others and an understanding for those in need.

Plan a Family Outing: Visiting a museum or local festival is a great way to spend time as a family and get out of the house. Many cities host special events on Family Day and most restaurants, malls and tourist attractions are open.
