

Annual PhotoArt competition sees 15 per cent increase in entries

Dear editor,
Volunteers of the Halton Hills Camera Club are happy to report 465 entries received for the PhotoArt 2011 competition— a 15 per cent increase over last year's totals.

Once judging is completed, 100-125 images will be exhibited between February 8-28 at the Marjorie Nazer Gallery in the Halton Hills Library and Cultural Centre, 9 Church St., Georgetown.

Please come and view the images

that make our event so popular.

New this year, everyone with access to the Internet will be able to vote for the People's Choice Award. You be the judge, by viewing the images at the gallery and then send an e-mail to photoart@hhcc.ca. Put the photographer's name and image title (from the edge of the print) in subject line.

Entries will be received between Feb 8-20. Only one entry per e-mail address, any duplicates will cancel your choice. People may also vote between

7-8 p.m. on the Awards Night, Thursday, February 24. The ceremony starts at 8 p.m. and the People's Choice winner will receive a prize at the end of the event.

We would like to thank our sponsors: Sheridan Nurseries, Paul C. Armstrong Insurance, Pictures and Presents, Strictly Fish, Halton Camera, Doug Meal from Re/Max, Dufferin Aggregates, Dufferin Cement and newcomer Shepherd Thermoforming and Packaging. Without their contin-

ued support, this event could not have evolved to the respected community competition it has become.

Thank you to the people who entered PhotoArt, running earlier than normal due to extensive renovations starting soon at the library.

Finally, thanks to the team of 20 volunteers who make this event run so smoothly, without you there would be no event.
