HOME SCHOOL GROUPS ART PROGRAMS

We give them the basics and they excel from there! KASE offers a personalized art program for Home School Groups to come into the Art Studio and have children learn about developing a colour wheel, how with only 5 drawing elements ALL art is possible. It is an exciting agenda geared towards encouraging each child's own creativity and inspirational thinking.

Call us to find out more about how we could work with your group to begin a wonderful artistic journey together.
