## School to hold 'Survival Skills' seminar

Healthy families support healthy children, but even healthy families can use tools for survival.

St. Francis of Assisi Catholic Elementary School presents Survival Skills for Healthy Families, 7 p.m. on Wednesday, March 2.

Seminar leader will be Teresa Hartnett, Director of Services in the Office

for Ministry, Family and Religious Education for the Hamilton Diocese, who will provide parents with a chance to learn ways to ensure your child knows just how special they are to you, including tips for parents on how to maximize quality family time.

RSVP to St Francis School, 905-877-6928 or email [simpsonm@hcdsb.org](mailto:simpsonm@hcdsb.org)

## Mayor to meet Health Minister on hospital issue

Mayor Rick Bonnette is having a face-to-face meeting with Health and Long-Term Care Minister Deb Matthews today (Tuesday) at 2 p.m.

The mayor wants to persuade the Minister to contribute some funding to the expansion and renovation of the

Georgetown Hospital emergency and diagnostic imaging departments.

In January council deferred the Halton Healthcare Services's request for \$4.564 million in municipal funding to give the mayor time to present his "special case" argument to the Minister.
