Man injured in rollover

A 43-year-old Caledon man was injured when his vehicle left the road and flipped several times before striking a tree on Ninth Line, south of Five Sideroad about 3:50 p.m. Thursday. Pictured above, investigating at the scene is Halton Regional Police Const. Noel Bowes. The driver of the 2010 Dodge Challenger SRT8, the lone occupant, had to be extricated from the car by Halton Hills firefighters. An air ambulance was called initially, but later cancelled and the man was taken by land ambulance to Georgetown Hospital. Police did not have details of the extent of the man's injuries. Ninth Line was closed for a couple hours. Police are still investigating.
