## NOTICE OF PUBLIC INFORMATION CENTRE #2

### HIGHWAY 401 IMPROVEMENTS FROM TRAFALGAR ROAD TO REGIONAL ROAD 25 W.O. 07-20024

#### THE PROJECT

URS Canada Inc. was retained by the Ontario Ministry of Transportation (MTO) to undertake a Preliminary Design and Class Environmental Assessment Study for improvements to Highway 401 from Trafalgar Road to Regional Road 25 (9 km) in the Towns of Milton and Halton Hills, Region of Halton.

The purpose of this study has been to identify the interim and ultimate capacity and operational needs for this section of the Highway 401 corridor. The recommended improvements include widening this section of the Highway 401 corridor, the incorporation of High Occupancy Vehicle (HOV) lanes, and improvements to existing commuter parking lots. Structural, illumination, drainage, and interchange modifications are also proposed as part of the recommended highway improvements.

#### THE PROCESS

This study has followed the approved environmental planning process for Group 'B' projects under the *Class Environmental Assessment for Provincial Transportation Facilities (2000)*. A Transportation Environmental Study Report (TESR) will be prepared and made available for a 30-day public review period at the completion of the study which will document the transportation opportunities, the generation, assessment, and evaluation of alternatives, the recommended plan, a summary of environmental issues and potential mitigation measures, and a summary of consultation undertaken throughout the study. Notice of TESR submission and the public review period will be advertised in this newspaper and mailed to those on the project mailing list.

#### PUBLIC INFORMATION CENTRE

The public is invited to attend the second and final round of Public Information Centres (PICs) for this study. The purpose of PIC #2 is to present and receive input on the preliminary design of the preferred alternatives and the proposed mitigation strategies to minimize potential environmental and community impacts. **PIC #2 will be held on:**

**Tuesday, March 22, 2011**

**4 p.m. to 8 p.m.**

**A brief presentation will be given at 5 p.m. and 7 p.m.**

**Milton Memorial Arena – Milton Lions Club Hall  
77 Thompson Road South, Milton**

This PIC will be an informal drop-in centre with a short presentation at 5 p.m. and 7 p.m. Representatives from the MTO and the project's consultant team will be available to answer questions, receive comments, and discuss the next steps in this study. You are encouraged to attend the PIC and provide the Project Team with your views and comments on the recommended highway improvements so that they can be considered prior to study completion.

The Project Document Sharing site which contains study documents is: <http://www.highway401milton.com>. The displays for PIC #2 will be available on the Project Document Sharing site after March 22, 2011.

There is an opportunity at any time during the study for interested persons to provide input to the Project Team including comments and information regarding the study. Comments are being collected to assist MTO in meeting the requirements of the Environmental Assessment Act. This material will be maintained on file for use during the study and may be included in project documentation. Information collected will be used in accordance with the Freedom of Information and Protection of Privacy Act. With the exception of personal information, all comments will become part of the public record.

## Chamber to host Home Show vendor info night on Tuesday

Still not sure if the Halton Hills Home & Leisure Show is for you? Attend the Vendor Information evening, March 15, 7-9 p.m. at Acton Arena & Community Centre, Queen St. (Hwy 7).

You can network with past participants who are booked for the 2011 show and learn about show details. There will be a presentation on how to make the most of your show investment by Partners in Progress Senior Partner, Wendy Hue, PCC, CSP. Hue is a certified sales professional, who will provide ideas covering everything from how to arrange a booth, to being approachable at the show to follow-up after the show.

The Vendor Information Evening is free to businesses that have booked their booth and \$20 to interested businesses. If you attend and decide to participate in the show the Chamber will apply the \$20 to your booth fees.

The Home & Leisure Show is a two-day consumer show taking place April 15-16 at the Acton Arena. This is your opportunity to meet 3,000-plus potential new customers, face-to-face.

At the 2009 show, the public told the Chamber they wanted to see more home renovators, landscapers, electronics, and window/door businesses. They came prepared to buy. If your business sells any kind of products or services, then you should plan on attending the 2011 Halton Hills Home & Leisure Show.
