Ron LeFebvre, representing the Georgetown Hockey Heritage Council, presents 2011 Hockey Heritage Award winner Geraldine Hardcastle with her official portrait at Monday's annual dinner, held this year at Acton Legion. The 1,800-player-strong GMHA heavily depends on her in the role of ice scheduler and registrar for the 150-or-so teams. "You don't get to stand up here tonight or at any other Hockey Heritage awards dinner without sacrifice," the 51-year-old children's daycare supervisor said. See story page 3.
