## Police blotter

### Lumber valued at \$9,000 stolen

Halton Police are investigating the theft of about \$9,000 in lumber and a chainsaw from a 17 Sideroad Halton Hills property sometime between Feb. 7 and Thursday (Mar, 10).

A Halton Hills man was charged with having over 80 mg of alcohol in 100 ml

of blood after police stopped a vehicle on 10 Sideroad about 9:45 p.m. Saturday.

Charged is Scott Charles Tippell, 59.

A vehicle parked at a Windsor Rd. residence was scratched on the hood causing \$1,000 in damage sometime late Tuesday or early Wednesday.

### Region's customer contact centre recognized for high level of service

Access Halton, the Region's customer contact centre, has received recognition for its high-level of customer service.

Halton Region became the first municipality in Canada and the second municipality in North America, after New York City, to achieve this accreditation from the Alliance of Information & Referral Systems (AIRS). "The AIRS accreditation shows that Halton Region is committed to providing the highest quality of customer service to our residents," said

Halton Regional Chair Gary Carr.

"This is a great achievement and we are proud to show that Access Halton is operating according to best practices," he said.

In 2010, Access Halton answered more than 267,000 calls, answering residents' questions on all regional programs and services. Access Halton also serves as the call centre for the 211 phone number for community services

and the 311 phone number for government services.
