Liz
Corbett

Liz Corbett and her husband Glenn have lived in rural Acton for 37 years, where they have raised two sons and now have two granddaughters.

Corbett has always loved photography and, in the past few years, it has developed into a passion. She works part-time as a Bowen Therapy Practitioner and has a practice in her home.

She is often found hiking the fields, roads and trails around her home as well sections of the Bruce Trail.

Always with her camera, Corbett feels a connection with Mother Nature, and enjoys the change of seasons.

"Photography is a wonderful way to appreciate the wonders of nature."
