

JIM HOEKSTRA

BOS Lift Truck Service Ltd.

Jim Hoekstra's job has put him in touch with a wide variety of different people over the years.

Hoekstra owns and operates Bos Lift Truck Service, a local company that sells, services and rents out warehouse equipment and heavy machinery like forklifts, front-end loaders and attachments. The business also sells a very in-demand exhaust system that has nearly zero emissions. There are also four mechanics on staff that travel around to service the equipment at various factories and businesses in the area.

Bos Lift Truck Service has been in business since 1982. Hoekstra took over in 2000 and has continued the company's tradition of excellence. Thanks to the internet, customers come from far and wide to work with Bos Lift Truck Service.

"With the internet, you really get out there and people don't care where you're from," Jim says. "I get to live in the town I choose to live in, the town I was born and raised in."

Furniture Renew

Big changes are happening at Furniture Renew. The growing business - which offers a wide variety of restoration, repair and refinishing services for wooden furniture, antique, kitchen and staircase refinishing - opened a 10,000 square-foot location in Georgetown, which will be open to the public early summer. The new showroom will include kitchen and staircase refinishing projects, as well as restored and as-is antiques.

Over the years, Furniture Renew has earned a reputation for professionalism, excellent customer service and high-quality workmanship. With as much as 25 years of experience in the business, the four repair technicians at Furniture Renew strive to make the refinishing process as easy as possible for their clients. They do much of the work at the client's home or business, or pick up and drop off the items that can't be redone onsite. The technicians are also available for onsite touch-ups and are excellent at matching existing colours and styles.

Over the years, the staff at Furniture Renew have worked on a variety of refinishing projects, from turn-of-the-century antiques to modern kitchen cabinets. Their dedication to customer service has earned it a loyal following and the business has built a strong referral base through positive word-of-mouth.
