The Krause Family Supports The Walk for ALS!

This is the second year that the Krause Family will participate in the Georgetown/Acton Walk for ALS. It is because of Dr. Jeff Sutherland's diagnosis that they continue their quest to raise money in the hope of finding a cure for this disease. Dr. Jeff has been their family Doctor and Friend since he began his practice in Georgetown. Melissa says that "he has always supported our family with the utmost respect, empathy and care and it is with those principles that we will do the same by raising donations and awareness for the ALS cause".

The Georgetown/Acton Walk for ALS had over 1500 participants last year and raised the 2nd most of all ALS walks in Canada! That is something that we as a community should

be very proud of!!!

If you would like to make a donation towards ALS you can drop by the Re/Max Office in Georgetown located at 360 Guelph Street at the corner of Delrex and Guelph St to make a donation in person or you can log onto their Team's website to make a secure online donation: <http://my.e2rm.com/personalPage.aspx?SID=2919234&Lang=en-CA>

The Krause Family also invite you to participate in walk along with them on June 4th, 2011 at the Gellert Community Centre. For more information please contact Melissa Krause-Cardillo at krauseremax@gmail.com or call 905-877-5211 or visit the Georgetown/Acton page on www.walkforals.ca.
