Town of Halton Hills Thanks Our Volunteers!

In the busy pace of life there are some individuals who always make the time to ensure that an activity, program, project, campaign or event is a success. These people are volunteers. They create an impact on our community by utilizing their skills, experience and passion for so many individuals and organizations in our Town. Much of what we have accomplished is the direct result of the contributions of our local community volunteers.

This **National Volunteer Week - April 10 to 16**, Town of Halton Hills Council and staff would like to extend a heartfelt thank you to the volunteers in our community who continue to give of themselves to the many worthwhile causes.

It is amazing to be surrounded by hundreds of people with a common passion, who truly make a difference to the community of Halton Hills. Volunteers are super heroes in disguise, as many appear to be living a normal life but dedicate countless hours to making their communities a better place.

Let's celebrate our everyday heroes and thank them for helping to make our community a wonderful place to live. This **National Volunteer Week**, be sure to say thank you to a volunteer!

Sincerely,

Mayor Rick Bonnette
