

Focusing on "Business of the Month"

Every month, Chamber members and local residents have the opportunity to nominate a local business for the Chamber's Business of the Month award. The criteria for selection are: quality of service, unique products, and/or civic involvement which benefits the community.

a year ago when she moved the production into her own home and then shifted the focus of the business. Shelly will go to your home to teach chocolate making, or make your custom order at her location and have it delivered. Shelly's chocolates can be found at select retailers in our area. Shelly's focus is satisfying her customers – that's why her gift baskets are made-to-order! She is also environmentally focused, and has reduced her packaging by being inventive with her product. **Shelly's Chocolates** are known from coast to coast – tasting is believing.
Congratulations!

McMaster's Meats & Deli was opened in 1999 by Bill Bonnett after a complete re-do of the store space. Party Cinemas – what's not to like?

Anthony Andrews and Frank Marsh had an idea to combine video dance parties and outdoor movies. They cater to eight- to 11-year-olds for dance, birthday, and backyard parties, as well as to the whole crowd of 30's and up. Of course, these parties are for everyone and Party Cinemas achieves customer satisfaction through the delivery of an outstanding experience at each event. Party Cinemas are available for private parties, weddings, and even stag or doe parties. The satisfaction level from both arrangers and attendees is extremely high. It is obvious they love what they do, and thrive on delivering excellence. *Congratulations!*
