## The Georgetown Hospital Foundation

Re-established in 2005, the Georgetown Hospital Foundation raises funds to enhance the healthcare services provided by the Georgetown Hospital for the people of Halton Hills. The Foundation office re-opened in August 2006, just a few steps to the left of the Hospital's main entrance and lobby. Each year, the Hospital turns to the

Foundation to fund the purchase of key medical equipment, renovations and services that otherwise would not be funded.

Led by our dedicated volunteer Board of Directors, the Foundation strives to ensure the best healthcare for the people of Halton Hills. Our success in raising funds for the Hospital is based on trust built through accountability, cost-

effective programs, and donor-centred approach to fundraising, recognition and stewardship.

Your support of the Foundation helps ensure the best healthcare for the people of Halton Hills.
