Royal LePage Meadowtowne Realty launches home searching app for iPhone and iPad users

Royal LePage Meadowtowne Realty has now made looking for a home much easier.

Royal LePage Meadowtowne Realty has launched an app to enable consumers to search for homes on their iPhone or iPad devices.

This application is provided for free and allows consumers to view all Meadowtowne listings— anytime and anywhere. This app is also searchable at iTunes.

Anyone who searches for Mississauga, Milton or Georgetown real estate will be brought directly to the application created by Hillside Software of Denver, Colorado.

Sellers listed with Meadowtowne will have the unique ability to have their listings featured through one of the greatest and far-reaching mobile platforms in the world. Homebuyers with iPhones or iPads will be first in the marketplace to have full mobile access to all of the company's listing inventory including, interior photos, Walkscores and GPS mapping.

Apple has sold more than 100 million iPhones and 15 million iPads.

Royal LePage Meadowtowne Realty is a full service real estate brokerage with offices in Mississauga, Milton and Georgetown.

For further information contact: Alex Ocsai, Broker/Owner (alex@royalpage.ca) or Gloria Riddall, Broker of Record (gloria@royalpage.ca.). Phone 905-821-3200 or visit the website at www.meadowtowne.com
