## Chomper turns on the spin cycle

Mountsberg Conservation Area bird handler Lara gives Chomper, a 22-year-old great horned owl, a spritz of water (above) causing the bird of prey to go into drying mode (right). The birds of prey show was part of Town's Earth Day Fair held at the Georgetown Market Place Saturday.

## E-waste exercise

Stephanie Leighton, 11, of Georgetown, got wrapped up in her work Saturday at the Robert C. Austin Works Yard as she was recycling electronic equipment as part of the Town's Earth Day celebrations. Hazardous waste was also accepted, courtesy of Halton Region. Town staff also showcased their equipment as well as providing free mulch and compost.
