

# Don Amero's Home-Away-From-Home Tour rolls into Acton May 13

While Don Amero's hometown is Winnipeg, he seeks to embrace a little bit of 'home' wherever he travels. That's why he's looking forward to touring again to many places he's already been, seeing familiar faces, and renewing old friendships. And while he'll be sharing

songs and stories on his Home-Away-From-Home Tour, he's asking fans to share something, too—their pictures of home.

"When I travel, I take a lot of pictures from the perspective of a visitor. But what I've always been interested

in is how people perceive their hometowns. So during this tour, I'm asking people to share pictures of their hometown, and show me how they see their home through their own eyes," says Amero.

Fans can email Amero their hometown pics at [hometourphotos@gmail.com](mailto:hometourphotos@gmail.com). The pictures will be featured on Don's Facebook page during the tour. After returning home to Winnipeg, Amero will present the best of the batch in a slideshow during his home-

town concert on May 27.

Amero is an award-winning singer/songwriter whose sound and style has been compared to John Mayer and Jack Johnson.

Amero will perform in Acton on Friday, May 13 at the Roxy Theatre, 6 Mill St. E. Joining him will be special guest, Isobelle Gunn. Doors open at 7 p.m. with the show starting at

8 p.m. Tickets are \$20/person or \$40 for a family and are available online at [www.donamero.com](http://www.donamero.com).

## the Cellar Restaurant

### Steak and Seafood

## Get Involved, Share Your Ideas

Halton Regional Council invites you to consider becoming part of a Citizens' Committee to help provide input into the decision-making process. Appointed until November 30, 2014, members of these groups review and discuss many important issues. These appointments give Halton residents from a variety of backgrounds the opportunity to contribute their skills and perspective to enhance the quality of life in our community.

Regional Council wishes to ensure that its boards and committees reflect the diverse nature of its community and invites all residents of Halton to consider these opportunities. An Interview Committee of Regional Council will recommend qualified candidates for these positions to Regional Council.

**To apply:** Application forms are available on our website [www.halton.ca/AdvisoryCommittees](http://www.halton.ca/AdvisoryCommittees), by e-mail to [regionalclerk@halton.ca](mailto:regionalclerk@halton.ca), or from the Office of the Regional Clerk, Halton Region, 1151 Bronte Road, Oakville, during business hours from 8:30 a.m. to 4:30 p.m. Completed applications must be received at the Office of the Regional Clerk **no later than Friday, May 20, 2011 at 4:30 p.m.** Completed forms may be submitted on-line, by mail or by fax to 905-825-8838.

Susan Lathan  
Regional Clerk

## Halton Waste Management Site Advisory Committee

**Purpose:** To advise and assist the Region with respect to off-site impacts due to operations at the Halton Waste Management Site and the monitoring of waste haulage practices in the Region.

**Members Needed:** 5 citizens, preferably local to the Waste Management Site located at 5400 Regional Road 25, Milton.

**Meetings:** Twice annually, on the third Thursday of the month at 6:30 p.m. or at the call of the Chair.

**Contact:** Art Mercer, Supervisor, Landfill Operations, 905-825-6000, ext. 8207.

Making Halton a better place to live, work and retire  
Gary Carr, Regional Chair

"PINCH AN INCH" with ULTRA SHAPE V.3

### New Year, New You!!

New Years Resolution for 2011:

Lose weight, tone body, look and feel good!

**How: Free Consultation!**

**Where: Milton Medical Centre**

Ultra Shape V.3

#### WHAT:

The non-invasive alternative to plastic surgery!

Designed for the reduction of fat deposits by ultra sound waves.

No downtime! You can resume daily activity post treatment!

#### HOW:

The fat is absorbed by the body's metabolism. It is either turned into energy or sent to the circulatory system and then on to the liver. In the liver, the fat is then processed as any other fatty acid, such as with foods.

#### WHERE:

Abdomen, Flanks (love handles), Thighs, Buttocks.

\*On average, one sees a circumference reduction of 4 cm and as much as 10 cm after 3 treatments!

The 3DEEP™ RF technology offers superior performance by combining the safety of a bipolar RF technology with the targeted treatment effectiveness of a monopolar RF technology. 3DEEP can be applied to multiple aesthetic applications, such as skin tightening, body contouring and wrinkle reduction.

- Non-invasive but effective skin tightening and contouring application.
- Customized treatment parameters for each patient's specific needs.
- Minimal discomfort with no cooling requirements.
- Short treatment with no downtime.
- Progressive results are visible at the end of each session and continue over the months to follow.

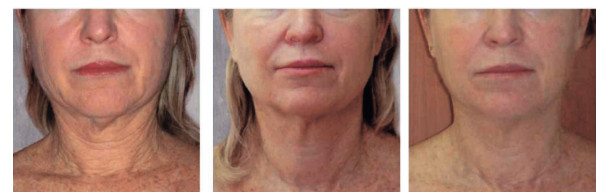

#### WHERE:

Body Contouring for: Neck, Chest, Abdomen, Buttocks, Thighs

Body Tightening for: Cheeks, Arms, Knees

Facial Tightening for: Forehead, Eyes, Mouth
